“A bridge to a healthy community is built through partnerships with business, faith, government, and social service organizations, working together toward a common goal.”

**Featuring Keynote Speaker
Tyler Norris, Senior Consultant, Kaiser Permanente**

Tyler Norris is a social entrepreneur and trusted advisor to philanthropies, health systems, governments, and collaborative partnerships working to improve the health of people and places.

His three decades of service in the public, private and non-profit sectors have included work with over 350 communities, in every state, and with scores of organizations in the United States and around the world. Since 2003 he has served as a Senior Advisor to Kaiser Permanente, the nation's leading integrated care delivery system.

Speakers:

**Theodore "Ted" Wymyslo, M.D.
Director, Ohio Department of Health**
Dr. Wymyslo has worked in the field of primary health care as a family physician, administrator and educator for over 30 years. Prior to becoming the ODH director in January of 2011, Dr. Wymyslo served as director of Family Medicine Dayton, a Patient-Centered Medical Home initiative.

**Pastor Josh Kuck
Grace Community Church, Fremont**
Pastor Josh Kuck is a graduate of Grace College in Winona Lake, Indiana and is currently working on his Master's degree in pastoral counseling from Liberty University DL program.
